

Friday 8th September 2017

Dear Parents and carers,

Welcome back to a new school year! It was lovely to walk around school and see all of our pupils looking so smart. Thank you so much to all of our parents for making such a fantastic effort to ensure that the children are in full uniform and look incredibly smart. It has been an excellent start to the year, the children have returned to school refreshed and have been so enthusiastic and well behaved.

Please ensure that you attend the 'meet the teacher' session on Monday at 3pm. All parents need to join their child at 3pm in their child's classroom – attend the meeting, rather than waiting for children to be collected in the playground.

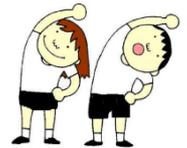

As we start a new year, I would like to emphasise again the importance of reading at home.

There will be a children's emotional wellbeing session for parents on Thursday 14th September 2017 at 9am. This is for parents to help and support their children's emotional development. The session will also explain THRIVE - as we are becoming a THRIVE school. The session will be held in the family learning centre. Please come along, we are hoping that you will find it an interesting and enjoyable session.

refreshments will be available throughout the session. We anticipate that it will finish at 10.30am.

All children should have a MERRITTS BROOK PE kit in school at all times. We have plenty of t-shirts that can be purchased at a minimal cost. Children should also have black or blue tracksuit bottoms, shorts and also a pair of pumps/trainers that are of the correct shoe size. Can you please ensure that over the weekend you ensure that your child has the correct PE kit.

On 4th October we are inviting all parents into school at 9am, to accompany their child into class. This will be an opportunity for your child to share work that they are particularly proud of.

School photographs will be on 26th September 2017 – please make sure that your child is in the correct uniform – with a jumper/cardigan for that day.

Believe, Aspire, Exceed
Creating brighter futures together
