

**3<sup>rd</sup> November 2017**  
**Value of the month - Respect**

Dear parents and carers,

We are once again inviting parents to come into school and share a piece of work with their child that they are really proud of or an achievement that they wish to share with you. The date for this will be **Wednesday 29<sup>th</sup> November at 9am**. You will follow your child into the classroom on that morning. Please try to attend this session - it means a lot for children to be able to share with you what they are learning in school. Unfortunately, we are only able to offer one morning so if you have more than one child then alternate the sessions as we will be holding these sessions regularly.

Please encourage your child to read at home daily. When we discuss the progress pupils have made in every class, it is clear that the children who read at home and practice their reading skills make more progress than those who don't. Reading is a life skill. If you are unable to read, it makes life more difficult.

**Please could everyone donate clean jam jars ready for the Christmas fair. If you could leave jam jars with the school office or hand them to class teachers in the morning, we would be extremely grateful.**

We will be holding a non-school uniform day on **1<sup>st</sup> December 2017** for a donation of wrapped sweets. Your child can wear their own clothes as long as they bring a packet of sweets in as a donation.

We will be supporting Children in Need this year! We are asking children to come dressed in spots and stripes - either or both. Children in Need is on **Friday 17<sup>th</sup> November 2017** - if you wish to support this charity please send a donation into school. If your child dresses up, then please send in a donation of £1 please.

**We are holding a phonics workshop next week for Nursery and Reception - please see Mrs. Johnson for details.**

Its parents evening on **Tuesday 7<sup>th</sup> November 2017**. All parents should have a time slot that has been sent out by class teachers. If you have not received a time, then please come into school and arrange an appointment. It's really important that parents attend - you will be given a copy of your child's targets during the meeting which will support their learning.

**Believe, Aspire, Exceed**  
**Creating brighter futures together**
